## Admissions\*\*

The Board is committed to providing an educational program for all students living in the district. The Board believes all students living in the district who have not completed 12 years of education should attend school regularly and be included in the available educational programs.

State law requires students to be age six on or before September 1 to enter first grade; and age five on or before September 1 to enter kindergarten.

All new students must register in the office. Registration requirements include proof of the student's birth date (e.g., a birth certificate, a hospital record or a baptismal record) and immunization records as required by law. Schools cannot require a particular document as a proof of age. Students admitted to any grade must show evidence of completing the prior school years. In those instances where such evidence does not exist (e.g., home-school students, foreign students), the student will be placed in the grade that corresponds to his/her birth date, unless the parent, teacher, principal and director of special services agree that placement at another grade level is more appropriate.

Students enrolled in the district shall comply with Oregon laws related to age, residence, health and immunization.

Students located in the district shall not be excluded from admission solely because the student does not have a fixed, regular and adequate nighttime residence or solely because the student is not under the supervision of a parent or person in parental relationship.

Students located in the district shall not be excluded from admission where they are otherwise eligible, not receiving special education, and they have not yet attained the age of 19 prior to the beginning of the current school year.

The district may admit an otherwise eligible person who is not receiving special education and who has not yet attained 21 years of age prior to the beginning of the current school year if the person is shown to be in need of additional education in order to secure a diploma.
