

Supervision of Students**

Students will have adult supervision in school during posted school hours , traveling under school auspices or engaging in school-sponsored activities. Parents are not to drop off students prior to the posted school hours, nor allow students to wait after school beyond posted school hours, unless participating in a supervised school-sponsored activity, as there is no adult supervision.

If the practice of early drop off and late pick up continue following meetings with parents, as mandatory reporters the district staff will be required to report possible child neglect.

During school hours, or while engaging in school-sponsored activities, students will be released only into the custody of parents, other persons designated by the parents, or per an arrangement approved by the parents.
