Supervision of Students**

The Board expects that when students are in school, traveling under school auspices or engaging in school-sponsored activities, the assigned staff member will exercise reasonable supervision appropriate to the activity. School personnel assigned this supervision are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except in an emergency situation or when other arrangements have been made for supervision by a responsible adult.

During school hours, or while engaging in school-sponsored activities, students will be released only into the custody of parents, other persons designated by the parents, or per an arrangement approved by the parents.
