

### Public Gifts to the District

Gifts which may serve to enhance and extend the work of the schools may be received by the district.

1. Tangible property contributed to the schools becomes the property of the district and is subject to the same controls and regulations that govern the use of other district-owned property.
2. Contributions of property or services that may involve major costs for installation or maintenance, or initial or continuing financial commitments from district funds, will be presented by the superintendent for Board consideration and approval.
3. Any groups planning to raise money for a gift to a school or the educational system will first consult with the principal and superintendent regarding what kind of gift should be made. The superintendent will develop guidelines for accepting gifts.
4. Priority lists of needed and desirable equipment, supplies or services will be kept in each school.
5. All gifts will be subject to the provisions of Board policy.

Gifts accepted shall be used for the purpose for which they were donated.
