1. The superintendent or designee will serve as the program coordinator for the district's School-Police Liaison Program.
2. The administration will meet with law enforcement officials to discuss:
 - a. Whom the school/law enforcement official should call for suspected violations of the law occurring on district property or other common needs;
 - b. How school representatives should handle evidence of a suspected crime/contraband, etc.;
 - c. Board policy and procedures related to law enforcement officials' requests for access to and questioning of students on district property and district parent notification requirements;
 - d. Applicable provisions of district emergency plans and security procedures;
 - e. Special event needs.
3. District curriculum will be reviewed to include K-12 age-appropriate instruction in safety, violence prevention/conflict resolution and citizenship to increase students' awareness of their rights and responsibilities within society. Instruction will emphasize prevention.
4. Active involvement of related community agencies and organizations will be encouraged in an effort to broaden the reference base in the development of district programs and activities and to establish a link for sharing resources.

Law Enforcement Initiated Requests

INTERVIEWS/INVESTIGATIONS OF STUDENTS

1. Interviews or investigations by law enforcement officials not based on allegations of child abuse, a warrant for an arrest or search or probable cause that an illegal act or crime is occurring or has been committed on district property, may be permitted upon request and with building principal or designee approval.
2. The law enforcement official shall contact the building administrator, properly identify himself/herself, inform the administrator of the nature of the investigation and provide the name of the student to be interviewed.
3. The building administrator shall verify and record the identity of the law enforcement official or other authority.

4. Requests to interview a student during school hours should be, in the opinion of the building administrator, important and urgent to justify interrupting school activities.
5. The building administrator will attempt to notify the student's parent(s) prior to granting the interview. If the parent(s) does not give consent to have his/her son/daughter interviewed, then the interview should not take place.
6. If the parent(s) cannot be contacted, the building administrator may grant permission for the questioning to proceed if the student agrees to be interviewed or in the event of compelling emergency circumstances.
7. If the building administrator has been unable to contact the parent(s) then the building administrator shall make a reasonable attempt to notify the parent(s) as soon as possible after the interview.
8. All such interviews shall be conducted in privacy, out of the view of staff (other than principal or designee), students and others.
9. A building administrator shall be present at all times during the interview unless the student's parent(s) is present and asks the administrator not to participate or the district official is otherwise prohibited from being present by law.
10. The building administrator shall maintain a written record of all such interviews conducted.

QUESTIONING OF A STUDENT SUSPECTED OF A CRIME, ARREST OR TAKING A STUDENT INTO CUSTODY

1. When a student is a suspect in a criminal act and is to be questioned by a law enforcement official for the purpose of establishing involvement in the act, questioning will be allowed on district property. Such questioning should normally occur outside school hours, off district property if the suspected crime is not school related. Building administrators are to follow the procedures in Steps #5 through #10 above.
2. At no time will a student be released to an officer without one of the following:
 - a. A warrant;
 - b. A court order;
 - c. Arrest;
 - d. Protective custody resulting from child abuse investigation;
 - e. Permission of the parent.

3. In all cases, other than child abuse cases, where a student is to be taken from the building by a law enforcement official, the building administrator will verify the official's identity. The building administrator will request permission of the law enforcement official to contact the student's parents that the student has been released to an officer. If the request is denied, the name of the officer, his or her agency, the date and time shall be noted by the building administrator. Law enforcement officials have the primary responsibility for notifying the parent(s) in such instances.
4. Any investigation of child abuse will be directed by Services to Children and Families or law enforcement officials as required by law. The building administrator or designee may be present at the interview of the student at the discretion of the investigating official. When the subject matter of the interview or investigation involves child abuse, building administrators and school employees shall not notify the parent.

Administrator Initiated Requests

On occasion, building principals may need, or be required to seek law enforcement assistance. Any student violation of the district's weapons policy shall be reported to the appropriate law enforcement agency. Child abuse also requires immediate referral to Services to Children and Families or law enforcement officials. Additionally, building principals and/or designee(s) may report to law enforcement officials, other violations of law occurring on district property or at school-sponsored activities as deemed appropriate.
