

Student Policies, Goals and Objectives

Students are the district's first concern and must receive primary attention from the Board and all staff members. The student's welfare shall come first in weighing all decisions.

One of the educational program's main tasks shall be to assist each student in becoming self-sufficient and responsible in problem-solving and decision-making. Each student shall be considered an individual.

Staff members shall guide and counsel students in the learning process. The Board and staff shall work together to provide an environment appropriate for student learning by meeting the following goals:

1. Individualize the instructional program with an emphasis on the basic skills in reading, writing and math;
2. Protect and observe the legal rights of students;
3. Build each student's self-image through positive reinforcement and success-orientated activities;
4. Provide an environment of responsibility in which students can learn personal and civic duties;
5. Deal with students fairly and consistently in discipline matters;
6. Provide for the student's safety, health and welfare;
7. Promote faithful attendance and quality work;
8. Support all students' academic growth beyond proficiency in academic content standards;
9. Support the physical and cognitive growth and development of all students; and
10. Utilize valid and reliable data for evaluating the success of curriculum, instruction, resource allocation and school improvement.

Through this environment students shall have the opportunity to learn to function effectively as an individual, learner, producer, citizen, consumer and family member.
