## **Closed Campus\*\***

The Board directs the elementary and secondary schools to operate closed campuses. Students shall remain on the school grounds from their time of arrival until departure by bus or with parent.

Parents must make written requests for emergencies, i.e. medical or dental appointments, for their students to leave campus. Requests must be approved by the building administrator.

The secondary school functions as an open campus for students during the second lunch period only. If tardiness or truancy persists, the principal may revoke individual students' rights to leave campus. Students may not leave the school grounds without permission at other times during the school day.

Any variation of this policy will require approval of the building principal.
