Visitors to District Facilities**

To help protect students and school property and to prevent disruptive activity, school officials must know if any persons who are not members of the staff or student body are inside the buildings or on the school grounds.

Visitors are welcome to school buildings so long as their presence is not disruptive and school officials are aware of the visit.

Visitors in the school buildings during the normal school day are expected to come first to the principal's office and arrange for the conduct of their business.

A pass shall be issued to them at the principal's office and shall be returned to the office upon completion of the visitor's business.

No individual may loiter in or near school buildings or grounds. Loitering means not having any reason or relationship involving custody of or responsibility for a student or upon inquiry, not having a specific, legitimate reason for being there.
