

Naming Facilities

The general policy is to name facilities for persons who have attained prominence locally and nationally, or in the fields of education, science, art, statesmanship, political science, or military achievement; early pioneers of Yamhill County or the state of Oregon; or after the name of the geographic area which it serves.

The general procedure for selecting a name for a facility shall be as follows:

1. The Board shall appoint a committee of two citizens from the immediate community served by the particular school/facility; one representative from the teachers' group, one representative from the classified employees' group, one Board member and one student;
2. The appointed committee will seek community input for name proposals and present a list of three to five names to the superintendent, who will forward them to the Board;
3. The Board shall then make the final name selection from the list the committee submitted.
