

## Public Appeals and Complaints about Alleged Violations of Standards

The Board recognizes a need to implement a procedure for the prompt resolution of complaints alleging violations of standards as outlined by the Oregon Department of Education.

Any complainant who resides in the school district or any parent or guardian of children attending school in the district qualifies to participate in the procedure described below.

1. All complaints to school personnel shall be reported immediately to the building principal involved, whether these come by telephone, letter or by personal conference.
2. The principal shall encourage the complainant to discuss the nature of the alleged classroom violation and the complainant shall be given the opportunity to talk to the instructor involved.
3. If the complainant wishes to pursue the matter further, he shall be supplied with a printed form, "Request For Investigation of Standard" (Exhibit A), which must be filled out and submitted to the district's superintendent before formal consideration shall be given to the complaint.
4. The standard which is the subject of the complaint shall not be altered pending final action by the Board.
5. The superintendent will arrange for a review committee of six, consisting of the superintendent, an administrator, a school board member, a lay person, the appropriate content area specialist and a teacher or district support personnel.
  - a. The lay person and Board member shall be appointed by the chair of the Board.
  - b. The committee shall meet as soon as possible and return a written report of its findings to the superintendent within three weeks of its appointment.
  - c. The committee may recommend that the alleged violation be:
    - (1) In total compliance;
    - (2) In partial compliance (specification shall be stated for total compliance);
