

Superintendent's Contract

The superintendent, upon appointment by the Board, will receive a written contract which will state the terms of employment such as compensation, benefits and other conditions. Contract shall not be issued for more than three years at a time. The contract shall automatically expire at the end of its term. The Board may, however, elect to issue a subsequent contract for not more than an additional three years any time.

The compensation and benefits for the position of superintendent will be fixed by the Board, based upon the responsibilities required of the superintendent in performing his/her duties. The Board may not enter into an employment contract that contains provisions that expressly obligates the district to compensate the superintendent for work that is not performed.

Provisions for termination of the superintendent's employment, either by the Board or the superintendent, will also be set forth in the superintendent's employment contract.

The contract will meet any requirements of state law.
