## Disposal of District Property

District equipment or property not needed for educational purposes may be disposed of by the superintendent with the approval of the Board.

Generally, those items of any significant value will be advertised for sale to the public by a bidding procedure. Items of an insignificant value may be disposed of or discarded at the discretion of the superintendent.

If reasonable attempts to dispose of surplus properties fail to produce a monetary return to the district, the Board may dispose of them in another manner.

In the case of surplus real estate, disposition shall be in accordance with state law.
