

# Sherman County School District

Code: **FF**  
Adopted: 2/08/16

## Naming Facilities

Board will select names for schools, buildings and ancillary facilities (e.g., auditoriums, wings, activity areas, athletic fields and/or collaboration spaces) within the district.

In considering names, recommendations from Community Engagement Committees, parent groups, other organizations and residents of the district will be considered however, the Board will give preference to collective memorials that equitably honor deceased members of a school or the district community (e.g., “Memorial Garden” or “Veterans Plaza”).

The Board will consider the acceptance of memorial scholarship funds in honor of persons who have special significance to the students, the district or the community and may consider naming a room or ancillary facility for the person whose honor the scholarship fund was given or created. A memorial plaque may be appropriately dedicated whenever a room or ancillary facility is designated as a memorial in conjunction with a scholarship fund.

The superintendent will, upon request, prepare for the Board a list of possible names for any new schools or ancillary facilities.
