

Interscholastic Athletics

The Board believes that participation in interscholastic athletics offers individual students opportunities to grow physically, intellectually and socially through their participation in team and individual sports.

The district will provide comparable interscholastic athletic competition for male and female students in a variety of sports. Students will be encouraged to participate on the basis of their interest and physical condition. Qualified coaching and supervisory personnel will be provided for all school-sponsored athletic events.

The district is a member of the Oregon School Activities Association (OSAA). In all athletic matters, the Board will adhere to the policies, rules and regulations of that body and the State Board of Education.
