Graduation Exercises

Because the Board believes that completion of the requirements for a diploma and/or CAM from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by the graduating class, their advisor and building administrator on the date selected by the Board.

All students in good standing who have successfully completed the requirements for a senior high school diploma may participate in graduation exercises.
