Admissions**

The Board is committed to providing an educational program for all students living in the district. The Board believes all students living in the district who have not completed 12 years of education should attend school regularly and be included in the available educational programs.

State law requires students to be age 6 on or before September 1 to enter first grade; and age 5 on or before September 1 to enter kindergarten.

All new students must register in the office. Registration requirements include proof of the student's birth date (a birth certificate, a hospital record or a baptismal record), immunization records as required by law and permission to request previous school records. Students admitted to any grade must show evidence of completing the prior school years.

Students enrolled in the district shall comply with Oregon laws related to age, residence, health and immunization.

Students located in the district shall not be excluded from admission solely because the student does not have a fixed place of residence or solely because the student is not under the supervision of a parent.
