

Supervision of Students**

The Board expects all students to be under assigned adult supervision when they are in school, traveling under school auspices or engaging in school-sponsored activities. District personnel assigned this supervision are expected to act as prudent adults in providing for the safety of students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except in an emergency situation when other arrangements have been made.

During school hours or while engaging in school-sponsored activities, students will be released only into the custody of parents or other persons designated by the parents.
