

Student Automobile Use

All students who drive cars to school are subject to the following parking and driving rules developed by the district:

1. Any licensed and properly insured driver may drive onto the district premises to the assigned area;
2. When the vehicle has been parked in the morning, no student is to enter the vehicle at any time during the day (including lunch period) nor is it to be driven from the grounds during school hours without permission from the office;
3. All vehicles including nonmotorized vehicles will be parked in the district parking area or in an area approved by the district administration;
4. All district rules and local and state traffic laws must be followed when operating any vehicle on the school grounds or on any public street or highway. Extreme caution will be used when operating in any area occupied by students.

Parking privileges will be subject to the specific requirements of this policy and any other applicable policy and/or rules of the district.

The district will post appropriate parking signs.
