

Board Powers and Duties

The Legislature of the State of Oregon delegates to the Board responsibility for the conduct and governance of the schools. The general powers granted to the Board are:

1. Legislative or Rule-Making Authority

In regular or special public meetings, after open discussion and the votes of the members are taken on the record, the Board will establish rules or policy to govern the conduct of its members and the proceedings of the Board.

The Board will establish rules for the governance of the schools and student's consistent with the rules of the State Board of Education.

The Board is responsible for providing adequate and direct means for keeping itself informed about the needs and wishes of the public, and for keeping local citizens informed about the schools.

2. Judicial Authority

As provided by law, policy, or contract, the Board acts as a fact-finding body or a court of appeal for staff members, students, and the public when issues involve Board policies or agreements and their fair implementation, and when the Board must determine the rights, duties, or obligations of those persons who come before it.

3. Executive/Administrative Authority

Board will appoint a superintendent and delegate to him or her the authority to establish administrative regulations to implement Board policy and goals. The Board will also evaluate the superintendent in the performance of his or her duties,

The Board may establish academic and financial goals for the district and evaluate the superintendent's implementation of those goals.

The Board will oversee the financial affairs of the district by authorizing, designing and approving budgets and proposing fax levy or bond elections to provide for the operation of programs and the maintenance or acquisition of district property.

The Board will authorize and approve payment on all contracts and business transactions of the district. The Board will provide for an annual audit of the district's assets.

The Board will employ the staff necessary to carry out the educational program and will provide for the regular evaluation of staff.

The Board will direct the collective bargaining process to establish labor contracts with the district's personnel. The Board will establish, through the collective bargaining process where appropriate, salaries and salary schedules, other terms and conditions of employment, and personnel policies for district-wide application.

The Board will fix the days of the year and the hours of the day when school will be in session.
