

## School Bus Scheduling and Routing

The district shall provide bus service, excluding privately-owned and maintained roads, for the primary purpose of transporting students to and from school and those activities that are an extension of the classroom. At least annually, and prior to the commencement of the following school year, the district will:

1. Review and assess school bus routes, stops and loading zones for safety, changing student population and supervision of students;
2. Advise parents of any changes in transportation policy affecting their students as early as possible and be responsive to parents' calls for assistance in seeking alternatives to busing; and
3. Work with cities, the county and other appropriate governmental agencies on a continuing basis regarding transportation issues.

Appropriate adjustments will be made in this standard upon approval of the Board to ensure safety of students and particular consideration will be given to primary and elementary students.
