

Admission of Foreign Exchange Students

Prerequisites

1. State department guidelines stipulate that a group-sponsored student must obtain school approval and family placement before leaving his/her home country.
2. Foreign students attending district schools through group-sponsored exchange programs must obtain a "J-1" Visa from the U.S. Department of Immigration and Naturalization Service which they must show upon registration. Approved group-sponsored exchange programs are those designated by the United States Information Agency and officially recognized by the Board. Foreign students on a J-1 Visa are not required to pay tuition.
4. The student or sponsoring organization will provide all dues and fees.

Program Guidelines

1. The high school may accept a maximum of six full-year students representing six distinct foreign countries. Exceptions may be approved by the building principal.
2. Candidates will be selected from foreign exchange programs at the discretion of the building administrator.
4. All potential organizations or individuals will obtain approval from the high school administrator by May 30 for the coming school year. Applications may not be accepted after May 30.
5. The high school administration reserves the right to terminate enrollment if the student does not comply with the high school academic/behavioral standards that apply to that student.
6. A foreign student will receive an honorary Sherwood High School diploma. All full years students in good standing may participate in graduation ceremonies.
