

## **Recruitment and Appointment of the Administrator**

The Board considers foremost among its responsibilities the selection and appointment of an administrator who can effectively translate into action the Board's policies and the community's aspirations for its public charter school.

To provide the most capable leadership available for the public charter school, the Board may engage in a search for applicants for the position of administrator whenever a vacancy in that position occurs.

The Board shall develop and adopt the standards (candidate qualities and work experience), criteria (application, screening and hiring process) and policy directives (promote from within, state and/or national search) to be used in hiring the administrator at a meeting open to the public and at which the public has had an opportunity to comment.

The Board may seek the advice and counsel of interested individuals or of an advisory committee, or it may hire consultants to assist in screening candidates to encourage the filing of applications by professionals who meet the qualifications. Final selection will rest with the Board after a thorough consideration of qualified applicants.

The Board will appoint the administrator by a majority vote of the Board members at a meeting for which notice has been given of the intended action.
