

Drug, Alcohol and Tobacco Prevention, Health Education**

Students have a right to attend school in an environment conducive to learning. The public charter school will not tolerate the possession, selling or use of unlawful and harmful drugs (illicit drugs, nontherapeutic uses of prescribed drugs, misuse of solvents and other dangerous substances) alcohol or tobacco in the schools, on public charter school grounds or during public charter school-sponsored activities including athletic events, dances, field trips, etc.

After consulting with staff, parents and students, through such groups as community agencies and representatives from drug, alcohol or health service agencies, student councils, MADD, ministerial association, chamber of commerce, local school committee and the county youth services team, the Board will adopt a written plan for a drug, alcohol and tobacco prevention and intervention program.

Drug Prevention Program

Each classroom K-8 shall receive drug, alcohol and tobacco prevention instruction as part of the health education program.

Each year the public charter school will review the curriculum in consultation with the public charter school's drug, alcohol and tobacco prevention committee and revise as necessary to reflect current research and state standards.

The public charter school is committed to an aggressive intervention and referral program to eliminate prohibited drug, alcohol and tobacco use.

The program shall include training for staff and a compilation of information on school and community resources and procedures for responding to drug-related medical emergencies.

Parents, students and staff shall annually receive information and detailed procedures regarding the public charter school's intervention/referral program through the school's parent/student handbook and the staff handbook published by the school.

Each year students and parents shall receive a code of conduct explaining expected behaviors and related consequences for violations of the code of conduct which may include discipline up to and including expulsion. Students violating the code of conduct prohibiting possessing, selling and/or using unlawful drugs or alcohol may be subject to an assessment and, if appropriate, referred to law enforcement officials. When considering disciplinary action for a child with disabilities, the public charter school must follow the requirements of Board policy JGDA/JGEA – Discipline of Students with Disabilities including those involving functional behavioral assessment, change or placement, manifestation determination and an interim alternative educational setting.

Each year the public charter school will actively seek funds to support the activities identified in the public charter school's drug, alcohol and tobacco prevention program.

The public charter school administrator shall provide staff development activities for all employees addressing the public charter school's drug, alcohol and tobacco prevention and intervention program or plan, the employee's responsibilities within the program or plan and current drug, alcohol and tobacco information.

The public charter school will develop a public information plan for students, staff and parents.

The public charter school's Drug, Alcohol and Tobacco Prevention, Health Education plan, related policies, rules and procedures will be reviewed annually and updated, as needed.
