

Recruitment and Appointment of the Superintendent

The Board considers foremost among its responsibilities the selection and appointment of a superintendent who can effectively translate into action the Board's policies and the community's aspirations for its public charter school.

To provide the most capable leadership available for the public charter school, the Board may engage in a search for applicants for the position of superintendent whenever a vacancy in that position occurs.

The Board shall develop and adopt the standards (candidate qualities and work experience), criteria (application, screening and hiring process) and policy directives.

The Board may seek the advice and counsel of interested individuals or of an advisory committee, or it may hire consultants to assist in screening candidates to encourage the filing of applications by professionals who meet the qualifications. Final selection will rest with the Board after a thorough consideration of qualified applicants.

The Board will appoint the superintendent by a majority vote of the Board members at a meeting for which notice has been given of the intended action.
