

Funding Proposals and Applications

The public charter school may pursue federal, state or private grants or other such funds that will assist the public charter school in meeting adopted Board and public charter school goals.

Proposals for external funds will be submitted to the Board for evaluation and approval.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the administrator is authorized to use his or her judgment in approving it for submission. The administrator will review the proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant which has been approved.

The Board shall, before an acceptance of such funds, consider the public charter school's obligations, expectations or encumbrances when the grant ceases.
