

## **Expenditure of Public Charter School Funds for Meals, Refreshments and Gifts**

The public charter school recognizes there may be occasions when it is appropriate for Board members, administrators and others to expend public charter school funds in the course of conducting public charter school business to provide meals or refreshments (bakery goods, snacks, fruit, punch, coffee, tea, soft drinks, etc.). The purchase of gifts may also be approved, in certain situations. Such occasions may include, but are not limited to, various public charter school meetings, gatherings to celebrate public charter school successes or recognize individual achievements, contributions or outstanding service to the public charter school and other public charter school-sponsored activities. Such expenditures may be made with prior public charter school superintendent approval only, subject to the provisions of this administrative regulation.

The use of public charter school funds, as used in this regulation, means the use of money in any of the general accounts of the public charter school. Exceptions are funds collected from staff members or others for the specific purpose of providing gifts or parties. It is also recognized that the public charter school may have established a “social fund” or “sunshine fund” to which each staff member may voluntarily contribute. Such funds are generally used for birthday recognition, bereavement and illness acknowledgment activities, etc. These funds are also exempt from the following requirements.

### **Meals and Refreshments**
