Administration in the Absence of Policy/Suspension of Policy

Absence of Policy

In cases where action must be taken within the school system and the Board has not provided policy for administrative action, the superintendent will have the power to act, but his/her decisions will be subject to review by action of the Board at its next regular meeting. It will be the duty of the superintendent to inform the Board promptly of such action. Drafted policy language will be provided at a subsequent meeting if necessary.

Suspension of Policy

In the event of emergency or special circumstances, the operation of any section of Board policy, including those governing its own operational procedures, may be temporarily suspended by a majority of the Board members at any regular, special or emergency meeting. This suspension, however, does not apply to any section of Board policy that may be established by law or contract.
