

Siuslaw School District 97J

Code: **EB**

Adopted: 07/09/97

Revised/Readopted: 01/08/14

Safety Program

Safe facilities, vehicles and equipment will be maintained to help prevent accidents or injury to students, staff and the public from fire, natural disasters, mechanical and electrical malfunction and other hazard.

Buildings will be planned, constructed, equipped and maintained in accordance with appropriate local, state and federal safety regulations.

Buildings will be provided with alarm systems, fire extinguishers and other safety devices required by state and federal laws and regulations.

The superintendent will develop and implement a safety program which will include, but not be limited to, compliance with and enforcement of all state and federal laws, rules and regulations.
