

Use of District Activity Vehicles for Student Transportation

The district may provide for the use of vehicles, more commonly designated as Types 10, 20 or 21 pupil transportation vehicles, which do not meet the requirements of a “school bus” for the purpose of transporting students, licensed, classified or other personnel to and from activities sponsored by the district.

The vehicle shall be insured for bodily injury, property damage, uninsured motorist coverage and personal injury protection.

The district will meet or exceed minimum driver requirements and procedures as set forth in Oregon Administrative Rules, Chapter 581, Section 53. The district shall meet child safety system requirements and minimum standards and specifications as set forth in state law.
