Student Organizations

The district encourages curriculum-related student organizations. District staff may facilitate such organizations and district resources may be used to support them.

The district may also support student organizations which are not directly curriculum related. Voluntary student-organized clubs which are not curriculum-related may meet on school premises during noninstructional time. If the content of such a club's meetings is religious in nature, school staff may attend only in a nonparticipatory manner. Staff may be assigned to attend such meetings for custodial purposes only. Staff cannot be compelled to attend a meeting if the content of the speech at the meeting is contrary to that person's belief.

The superintendent will develop administrative regulations for student organizations and meetings.
