

Student Activity Funds

Student Activity Funds are those funds raised or collected by and/or for school-approved student groups except for funds budgeted in the general fund.

Student activity funds will be collected and expended for the purpose of supporting the school's co-curricular activities program following these guidelines:

1. Student body funds are the responsibility of the Board and are under the direct supervision of the superintendent or his/her designee;
2. The student business manager or treasurer of the student government organization may serve as a representative of that organization in partial administration of student activity funds;
3. All student activity funds will be receipted and deposited according to district policy and acceptable accounting procedures;
4. All activity accounts will be audited annually;
5. Administrators must approve all expenditures.
