In general, animals are prohibited on district grounds (fields, sidewalks, parking lots, etc.) and in district facilities (schools, buildings, stadium, etc.)

Animals may not be transported on a school bus.

With prior permission obtained from the principal, it may be appropriate to have animals in the schools as part of the educational experience.

Animals must be adequately cared for and appropriately secured. Only the teacher or students designated by the teacher are to handle the animals.

If animals are to be kept in the classroom on days when classes are not in session, arrangements must be made for their care,

A service dog would be an exception to this policy.
