

Siuslaw School District 97J

Code: **JEBA**
Adopted: 04/09/14

Early Entrance into the First Grade

The Board recognizes that some students can benefit from an early first-grade placement. Oregon law permits school districts to allow students whose needs for cognitive, social and physical development would best be met in the school program to be admitted to first grade prior to reaching age six by September 1. The district is committed to enhancing the educational opportunity of the developmentally advanced child through early school experience.

Should the district receive a request for early entrance to first grade, the administrative procedure will be followed.
