

# South Umpqua School District 19

Code: **ADA**  
Adopted: 9/08/10  
Revised/Readopted: 6/07/17

## District Priorities

1. “See Each Child.” We strive to maximize **each** student’s personal potential thus preparing them for a broad range of opportunities beyond graduation from South Umpqua High School.
2. “Make and Keep the Promise.” Failure is not an option as we strive to insure that each child will succeed as they master the essential outcomes and graduation requirements as established by the South Umpqua School District and the state of Oregon.
3. “Don’t Run Alone, Use the Power of Community and Collaboration.” We recognize that no one individual can “make and keep the promise” for each and every child. It will take a team effort to reach this priority. Each school as well as the school district as a whole must develop collective and collaborative strategies that will insure the success of each child.
