**Board Legal Status**

The Constitution of the state of Oregon charges the Legislature with providing, by statute, for a uniform and general system of common schools. The Legislature enacts laws to delegate the immediate control of the schools by locally elected boards of directors. Thus, the Board is the governing body of the South Umpqua School District.

Federal and state statutes and rules of the State Board of Education define and outline the general powers and duties of the Board. The Oregon statutes (Chapter 323) authorize the Board to transact all business within the jurisdiction of the district, to control the district schools and to educate the children residing in the district. The Board's duty is to carry out those statutes that are mandatory (e.g., "The Board shall..."); where the laws on a subject are permissive (e.g., "The Board may..."), the Board is empowered to exercise its judgment and discretion.

This district will be known as the South Umpqua School District. There will be seven members of the Board of Directors.

The regular term of office of Board members will be four years. The term of office will commence on the first day of July following regular district elections. The term of office for members appointed to fill the vacancy will be the time remaining in the term of office of the vacated Board position.
