Administrative Regulations

Administrative regulations are detailed directions governing the operation of the schools.

The superintendent is directed to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the district.

When approved by the superintendent, administrative regulations will be posted on the district's online policy manual and distributed to the Board and staff, as appropriate.

The Board may review any administrative regulation and may revise it by majority vote if, in the Board's judgment, such regulation is not consistent with adopted policies.
