Integrated Pest Management

To ensure the health and safety concerns of student, staff and community members, the district shall adopt an integrated pest management plan (IPM)¹ which emphasizes the least possible risk to students, staff and community members and shall adopt a list of low-impact pesticides for use with the IPM plan.

The district shall designate the director of fiscal operations as the Integrated Pest Management Plan Coordinator and give them the authority for overall implementation and evaluation of the IPM plan.

The superintendent or designee will develop administrative regulations as necessary to implement this policy.
