Snow Days and Inclement Weather Activity Guidelines

1. Employees will report to work on days in which school is closed due to inclement weather as provided in the employee's collective bargaining agreement or as determined by the superintendent for nonrepresented employees.
2. Events scheduled to be held in the district may be canceled if school is closed due to inclement weather as deemed appropriate by the superintendent or designee.¹
3. Special activity events held at "away" sites may be held as scheduled if transportation can safely be provided. The decision of the transportation supervisor shall be final. Private transportation will not be used in lieu of district transportation.

¹Decisions concerning cancellations will be made by 1:00 p.m. on the day of the closure or as otherwise deemed necessary by the superintendent or designee so that the course of action may be given adequate publicity. The decision to hold an event on a snow day will be based on weather reports, road reports (as furnished by the Oregon State Police), conferences with officials of other schools (if involved), local reports, etc.
