Video Surveillance

The Board recognizes the district's continuing responsibility to maintain and improve discipline and ensure the health, welfare and safety of its staff and students in schools on district property.

Video cameras may be used to monitor behavior in schools on district property.

Such equipment may also be used to monitor the performance of district employees in the fulfillment of their duties.

Students in violation of district conduct rules shall be subject to disciplinary action in accordance with established Board policy and administrative regulations governing student conduct and discipline.

Staff shall be subject to established Board personnel policies, administrative regulations and collective bargaining agreements, including provisions related to evaluation, discipline and dismissal.

The district shall comply with all applicable state and federal laws related to video recordings when, as determined by the district and in accordance with law, such recordings are considered for retention as a part of the student's behavioral record. Such records will also be subject to established district student records procedures including access, review, and release of such records.

The superintendent shall develop procedures for the notification of staff, students, parents and others as necessary of the use of video cameras in schools and on district property, and such other procedures as may be required for the implementation of this policy.
