School District 19**

Code: **GBE**
Adopted: 3/16/11
Revised/Readopted: 8/02/17
Orig. Code(s): GBE

Staff Health and Safety

Appropriate action will be taken to provide for the health and safety of all employees while engaged in the performance of their duties.

A district plan will be developed for dealing with any hazardous chemicals in the workplace. This plan will include the proper labeling, storage and disposal of all such materials.

Districtwide training activities will be developed to deal with the use of hazardous chemicals. Training will include the identification, use, storage and disposal techniques needed to assure safety of staff and students.

In meeting the requirements of the law, employees will be trained to recognize and respond appropriately to the presence of hazardous chemicals. All personnel who may be exposed to hazardous materials during the performance of their duties or in an emergency will be so informed and trained to appropriately deal with these materials.

The Safety Data Sheets (SDS) must accompany any hazardous substance used in the school setting.
