Field Trips and Special Events**

The Board recognizes the value of special activities to the total school program. Furthermore, students need to be allowed to participate in and profit from carefully planned learning experiences which occur outside the normal school environment.

Field trips and other student activities involving travel may be authorized by the superintendent or designee when such trips or activities contribute to the achievement of desirable educational goals. In planning and authorizing such trips, primary consideration will be given to educational values derived and the safety and welfare of the students involved.

All out-of-state travel must have prior Board approval.
