Graduation Exercises

Because the Board believes that completion of the requirements for a diploma, a modified diploma, an extended diploma or an alternative certificate from the public school is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by the principals on the date on the school calendar approved by the Board.

The district's valedictorian(s), salutatorian(s) or others at the discretion of the building principal or designee may be permitted to speak as part of the district's planned graduation program. All speeches will be reviewed and approved in advance by the building principal or designee.

All students who have successfully completed the requirements for a senior high school diploma, a modified diploma, an extended diploma, an alternative certificate or a transfer diploma may participate in graduation exercises.
