Board Legal Status

The constitution of the state of Oregon charges the Legislature with providing by statute for a uniform and general system of common schools. The Legislature enacts laws to delegate the immediate control of the schools to locally elected Boards; thus, the Board is the governing body of Springfield School District #19.

Federal and state statutes and State Board of Education rules define and outline the general powers and duties of the Board. Oregon statutes authorize the Board to transact all business within the jurisdiction of the district, control District schools, and educate children residing in the district. Oregon Administrative Rules establish further requirements and guidelines for the district. The Board's duty is to carry out those statutes and rules that are mandatory e.g., "The Board shall...;" where the laws are permissive, e.g., "The Board may...", the Board is empowered to exercise judgement and discretion.

This district will be known as the Springfield Public Schools.

The regular term of office for Board members is four years. The terms of office commence on the first day of July following regular district elections. The term of office for members appointed to fill a vacancy is until June 30 following the next regular district election. The term of office for members elected to fill a vacancy is the time remaining in the vacated Board position.
