Policy Development

The Board will adopt and revise policies that in its judgment are necessary for governance of the district. These policies will be restricted to matters for which authority is granted to the Board in the Oregon Revised Statutes and Oregon Administrative Rules.

The Board authorizes the superintendent or designee to formulate and disseminate administrative procedures for the purpose of implementing Board policies.

The basic responsibility for initiating, reviewing and recommending new policies or policy modification will rest with the superintendent or designee; however, new policies or changes in existing policy may be proposed by any Board member, group or organization, staff member, parent, student or other member of the community. The superintendent may seek parent and community input during the preparation and subsequent review of policy.
