

Springfield School District 19

Code: **EBBA**
Adopted: 5/08/95
Readopted: 2/26/07
Orig. Code(s): EBBA

First Aid**

In cases of sudden illness or injury to a student or staff member, emergency medical care (First Aid) will be given by staff. Further medical attention to students is the parents' or guardians' responsibility, or of someone the parents or guardians have designated in writing to act in their behalf.

Each manager is charged with providing for the immediate care of ill or injured persons within his/her area of control. Immediate care includes emergency transportation when necessary.

In each facility, procedures for handling health emergencies will be established and made known to the staff. Each school district facility and district owned vehicle will be equipped with appropriate first-aid supplies. Replenishment of first-aid supplies is the responsibility of each manager. All employees are expected to know where first-aid supplies and equipment are kept in their work areas.

Designated employees in each building shall hold current first-aid cards. In compliance with Oregon Administrative Rules, each school shall have, at a minimum, at least one staff member with a current first-aid card for every 60 students enrolled or an emergency response team per building. Such team shall consist of no less than six persons who hold current first-aid/CPR cards and who are trained annually in the district and building emergency plans. Names of the designated employees will be posted.
