Insurance Programs

All District insurance coverage is to be written by a company that meets the industry standards and is acceptable to the Board under the provisions of Oregon law.

Property insurance coverage for buildings and contents will cover replacement value for reconstruction or replacement at the same site, with a deductible determined by the Director of Fiscal Services to provide the lowest possible premium costs consistent with adequate protection from unanticipated expenditures.

General and personal liability insurance will cover district Board members and employees only while acting in their official capacity.

Errors and omissions and tort liability endorsements will be carried.

Farm machinery and livestock supplemental coverage will be maintained if appropriate to the District property and programs.

The district will provide liability coverage for all District-owned or leased vehicles.

The district will establish and provide the opportunity for students to purchase student accident insurance.

The district will not carry student accident insurance other than liability.

During its organizational meeting in July, the Board will appoint an insurance agent of record for the district.
