## Naming New Facilities

Whenever possible schools will be named by their location or by a name of historical significance. Schools may be named for individual persons who have been outstanding in education endeavors or who have worked in support of better schools and educational programs in the community and/or in the state. Such persons will normally be retired from active participation in educational activities.

Names may be presented by petition, by chosen committees, or by other representative groups in the area. The Board has the final decision in naming schools.

The superintendent will develop a procedure for selection of names for approval by the Board.
