

Springfield School District 19

Code: **IFA/IFB**
Adopted: 3/06/06
Readopted: 2/11/08
Orig. Code(s): IFA/IFB

Curriculum Research/Pilot Projects

A pilot project is defined as a trial program conducted in a controlled environment for a period of time sufficient to test the applicability and viability of that program for fulfilling present and future needs of the district.

Requests for permission to conduct such projects must be submitted to the superintendent or designee. Pilot projects are subject to compliance with state and federal laws and to Board policy and administrative regulations.

Parents have the right to inspect, upon request, any instructional material used as part of the educational curriculum for students. The district will develop procedures for granting a request by a parent for such access.
