

Springfield School District 19

Code: **IGDH**
Adopted: 1/22/96
Readopted: 6/25/07
Orig. Code(s): IGDH

Contests for Students

The district instructional program shall not be superseded by contests or competition not approved by the district. The instruction department shall review all contests to determine their compatibility with district goals and objectives before information is disseminated to building administrators for their action. Students may enter contests voluntarily, working outside of school time. The contests shall not be mandatory and/or become an assignment for an individual, group, or an entire class.
