

Springfield School District 19

Code: **KGAA**
Adopted: 11/27/95
Readopted: 10/22/07
Orig. Code(s): KGB

Use of Outdoor Facilities

It is the policy of the Board to maintain all district property in a safe and usable condition. School buildings, school sites, including parking areas, school equipment, and all other facilities are maintained primarily for the education of students. Other patrons may use outdoor facilities such as the playground, fields and playground equipment at their own discretion, depending upon the facility, the desired use and proper application, and whether the use conflicts with regular student use.

Elementary and middle school playing fields and equipment that are in the outdoor areas are available for use with prior permission from the building principal or designee. The use of facilities such as the Silke Field Stadium and track must be scheduled through the district office.

Residents of the district are deemed as having prior authorization if their presence is and continues to be in accordance with Oregon law.

The use of alcohol, tobacco, drugs, or narcotics is prohibited on district property.

The superintendent or designee is directed to develop procedures for making application for use of district property and a fee schedule.

END OF POLICY
